General information

Platform K stage is a venue with a maximum capacity of 180 people.

Load-in address & Parking

Platform K stage only has parking facilities for two vehicles at the load-in dock - if you are traveling with more, please let us know in advance. In addition, if you are traveling with vehicles longer than 8 meters, please advise us.

Load-in dock address:

Madevej 2
8700 Horsens
Denmark
Gps: 55.8693001298426, 9.833445111804265

The loading dock is located behind the building - just follow the signs.

Timesheet

We will make a timesheet for your event in corporation with your production team in advance. As a rule of thumb, we work with the following timesheets:

Show

Two bands

-5 hours
-4 hours
-3,5 hours
-3 hours
-2 hours
-1 hours
0 hours
? hours
? hours

Get-in band 1
Soundcheck band 1
Get-in band 2
Soundcheck band 2
Dinner
Doors
Show band 2
Changeover 20 min.
Show band 1

Backstage

The backstage room will be accessible from load-in until 1 hour after load-out.

Facilities (One large room with):

1x Tables and chairs for 15 people
3x Sofas for 3 people
1x Toilets
1x Kitchen with dishwasher

1x Full size mirror
1x Plenty of DK socket power outlets

Load-out

We prefer that you load-out about 10-15 minutes after the show has ended.

Policies

Sound Limit: 103 dbA LEQ over 15 minutes. We provide a 10 EaZy measurement system.

Smoking: According to Danish law, it is illegal to smoke indoors. We have a few outdoors smoking areas; our staff can help you find them.

Stage

The stage at Platform K stage is quite small, but it gives you an opportunity to stand face to face with your audience.

Stage drawing

Stage dimensions (width x depth x height): 8,70m x 4,20m x 0,60m

Stage floor to stage ceiling height: 2,9m

Stage barriers

It is not possible to request stage barriers at the venue; we can however provide one or two guards in order to secure the stage.

Stage power

- 3x 1x16A DK or schuko power outlets (Backline)
- 2x 3x16A CEE power outlets

| 1-049 | ADJ Mega HEX par RGBWA UV | 8 |
| 1-057 | ADJ Mega HEX par RGBWA UV | 8 |
| 1-065 | ADJ Mega HEX par RGBWA UV | 8 |
| 1-073 | ADJ Mega HEX par RGBWA UV | 8 |
| 1-081 | Martin RUSH MH5 Profile | 16 |
| 1-097 | Martin RUSH MH5 Profile | 16 |
| 1-113 | Martin RUSH MH5 Profile | 16 |
| 1-129 | Martin RUSH MH5 Profile | 16 |
| 1-511 | Smoke: Stairville Hz-200 Hazer | 2 |

ATTENTION: BRING FLOOR PRODUCTIONS ONLY

At our venue, there is no room for rigging lights in the ceiling. You are welcome to use our house lights, and then bring your own floor production. However, there is not much room on the stage, so try to decrease your footprint as much as possible.

Scenography

We provide the following equipment:

- 6x 2x1m risers with 0.2m or 0.4m legs and drapes
- 8x 1.0m legs for DJ podiums

Light plot

AV & Specials

Projector: Epson EB-W29 (3000 lumen)

Screen: 2860mm x 1700mm

Confetti: We like confetti, but it takes a lot of time to clean up. Please let us know in advance if you expect to use confetti.

Pyrotechnics: If your production would like to use of pyrotechnics at your show, this must be cleared with the local fire department at least 4 weeks prior to the show. According to Danish law, the permission to use pyrotechnics must be applied for by the head of pyrotechnics from your production, and not by the venue. Contact our preproduction manager to achieve contact information to the local fire department.
